

SZF Connect

Policy Privacy and Notice. Last Updated – September 3, 2019

The State Health Foundation (SZF) respects the privacy of all our clients and users. The Privacy Policy explains how we collect, use, disclose, and safeguard your information when you download and subsequently visit our mobile application. Please read this Privacy Policy carefully.

This Privacy Policy does not apply to the third- party online/mobile store from which you install the Application or make payments, including any in-game virtual items, which may also collect and use data about you. We are not responsible for any of the data collected by any such third-party.

Information We Collect: SZF Connect receives or collects personal data about you for the sole use of tracking and generating your records with us, engaging and improving your experience as a user or client relating to the mobile app. All personal data such as your name, address, ID number, SZF number, date of birth, email address, and telephone number you provide during registration via the application are considered voluntary and only may be accessible to our internal technical team members. We also collect your location especially when you use the search feature available to you for locating General Practitioners and Pharmacies. You agree to all terms and conditions of our Application at your authorization by clicking on “register”.

Storage and Use of Your Data: Data provided are securely stored in our database for SZF internal use only and only may be shared with the law enforcement agencies if we believe is necessary and justifiable or required. Once you are logged in, you can safely access your personal records from our system and access other relevant information such as the lists of medications, general practitioner, pharmacies and our news updates and feeds. We also use your information provided to respond to your request or comments. We send you general and targeted notifications to your phone number or/and email address you provided at registration. The premises and scope of SZF Connect is in keeping with the international and local laws that governs mobile applications.

Customer Support: You can contact us for support and more information via the menu “contact us” which takes you to our website. You can only request for information that relates to you or and anyone that is linked or issued with you in our record. You can also provide us with feedback on performance and recommendations on how to improve our services.

Managing Your Information: You can update certain personal information such as your password and personal details upon request via the appropriate menu of the application. SZF Connect is a read –only application hence personal data cannot be changed. You can delete or uninstall the application at any time and your account will be discontinued with us.

Updates to Our Policy: We may amend or update our Privacy Policy. We reserve the right to do so at any time and for any reason without prior notification of any kind. We will provide notice of amendments to this Privacy Policy, as appropriate, and update the “Last Modified” date at the top of this Privacy Policy. You about any changes by updating this Privacy Policy with date. You will be deemed to have been made aware of, subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted. Your continued use of SZF Connect confirms your

acceptance of our Privacy Policy, as amended. If you do not agree to our privacy Policy or as amended, you must stop using the application. Please review our Privacy Policy from time to time to avoid any misunderstanding.

Contact Information: Should you have questions specifically relating to our Privacy Policy, please **contact us**.
